The iconic UGG boot is making a huge comeback, but this time, with the addition of platforms. Thanks to the y2k revival, many trends are starting to resurface again and can be seen everywhere you go, and Bella Hadid is the face of the UGG boot trend this season. Bella pairs the boots with tall socks and a leather jacket to look effortlessly cool and stylish while just simply going out to enjoy a slice of pizza. These shoes are the perfect transition pieces to sprout from a snowy winter to spring and still be chic.

1 Classic Ultra Mini Platform

As seen on Bella Hadid! The go-to boot of the season. If you buy one pair, this is your one! The classic chestnut brown makes it easy to pair with anything. Try styling the boots with white crew socks, black leggings, and a comfy sweater. The Classic Ultra Mini Platform Boot retails for \$150 on the UGG website.
